

## Presenter Application for the Great Lakes Herb Faire September 11<sup>th</sup>-13<sup>th</sup>, 2020

**Thank you for your interest in  
presenting at our faire!!**

We hope you will join us and share your knowledge as we gather for the fourth Great Lakes Herb Faire. The intention of our faire is to help build community among folks interested in herbs, to share and spread the vast wealth of knowledge that our regional herbalists have, and to empower people to become more intimate with not only their own wellness and that of their families and communities, but this amazing land we share.

If you would like to be a part of this sharing of knowledge, and are interested in teaching a class, leading a workshop or field walk, please fill out this application.

Please email to [info@greatlakesherbfaire.org](mailto:info@greatlakesherbfaire.org) or snail mail to:

### **What we offer to our teachers:**

- **Tuition/Room & Board:** Guest teachers will receive free admission to the faire as well as room and board. Teachers are welcome to camp or stay in a cabin. Cabins are rustic. Some say, very rustic.
- **Bring a Guest:** Teachers may bring one guest who will be admitted to the faire for free as well. Guests will need to pay for their meal plan or bring their own food.
- **Vending Space:** Educators get first opportunity to have a booth space and need pay no fee in honor of their teachings. All vendors must supply their own tents, tables etc.
- **Stipend for Service:** At this time we are paying our teachers \$150 per class.

### **What we ask of our teachers:**

- We are looking for teachers who have a passion for their subject and feel excited to share their knowledge. Ideal teachers would engage their students on different levels, with different modalities, possibly including using lecture, stories, hands on techniques, stimulating the senses, spiritual and theoretical discussion, student led approach etc.
- Each class should be about an hour and a half long. Possibly shorter for kids classes, depending on the age group.
- Please be well prepared!!!

It is likely that we will have more applications than we have time slots available to teach. We appreciate *all* of the applications we get and will thoughtfully look them over before deciding

which will fit best in the 2020 Faire. If we are unable at this time to accept your proposal, please take no offense and please do consider applying again for the next faire! We appreciate your understanding.
