Business Description/ Payment Information
<p>Profound Existence is a DIY herb line that focuses on medicinal, high quality, fresh products made from plants grown without chemical additives or sustainably wild harvested. All medicines are made in small batches with intention, care &amp; craftsmanship. "Profound Existence" is an inversion of the profane; using plant medicine as a gateway to a more meaningful, less destructive way of living for its creator as well as for surrounding students, clients and community. In addition to providing medicines for patients at the Ithaca Free Clinic and providing free, low-cost and sliding scale medicines to others in need, much of this year's proceeds will help Cal, their partner Zak and their baby Calyx to move to the midwest to be closer to family.</p> <p>Please place orders via e-mail to <a href="mailto:cali_janae@yahoo.com">cali_janae@yahoo.com</a>. Payment accepted through PayPal to <a href="mailto:cali_janae@yahoo.com">cali_janae@yahoo.com</a>. Prices do not include shipping which will be calculated per order.
